Embargo: 00:01 GMT Tuesday 1st May 2012

May 1, 2012 - London, UK - Altius Associates Ltd. has appointed Reyno Norval to the global Infrastructure and Real Assets team. Reyno will be based in London, joining the global Infrastructure investment team headed by Brad Young.

Mr. Young said: "We are delighted to have secured Reyno to strengthen our global Infrastructure team. Client demand has expanded our business in the real assets space significantly in the past two years, and there is a sharp focus on Infrastructure, particularly in Europe. We look forward to welcoming Reyno to help support and develop our coverage in these markets."

Mr Norval joins Altius from Green Gas Americas, Inc (Florida, USA) where he was Business Development Americas- Project Developer. He originated and developed principal investments in landfill gas to energy within United States and Latin America. He specialised in equity investment, acquisitions, and project financing, negotiating complex financial and legal structures, including structured deals for the monetization of carbon credits.

Prior to joining Green Gas, Reyno was Strategy & Investment- Commercial Analyst at EDF Energy (UK) Ltd. (London, UK). His role included financial valuations identifying key financial risks associated with investments, extensive project due diligence and making investment recommendations. He also dealt with complex contractual relationships with close attention to relevant legal, technical and commercial issues.
